

**CcUserInfoManager**

```
graph TD; CcUserInfoManager[CcUserInfoManager] --> BanUnbanManager[BanUnbanManager];
```

A diagram showing a relationship between three classes. At the top right is a box labeled 'CcUserInfoManager'. A vertical arrow points from the bottom center of this box down to a box labeled 'BanUnbanManager' at the bottom right. To the left of this, at the bottom left, is a box labeled 'UserInfoManager'.
